Best practices for finding high demand items in DLNJ for items your library owns.

If you have access to both the group account and your library's account make sure you are in your library's account. Then click Holds Ratio

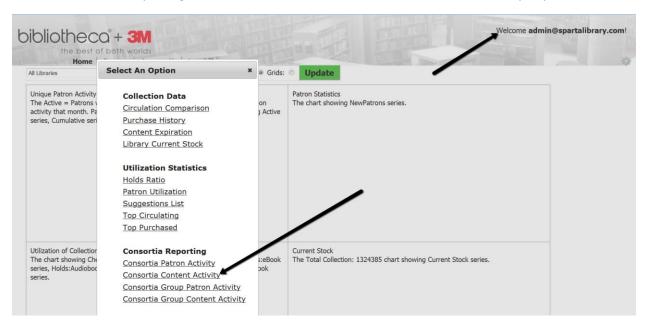

The results will show holds for your patron's on your library's items.

Holds Ratio

Library: Sparta Library ▾ | **Search** | **Export to Excel** | ?

Title	Author	eISBN	Content Type	Publisher	Library Name	Current Price	Patrons on Hold	Copies in Stock	Presale copies on order	# of Holds per Copy
Bullseye	Patterson, James	9780316290142	Ebooks	Little, Brown and Company	Sparta Library	84.00	2	1	0	2
Three Wishes	Moriarty, Liane	9780061856914	Ebooks	HarperCollins	Sparta Library	14.99	1	1	0	1
Truly Madly Guilty	Moriarty, Liane	9781250069818	Ebooks	Flatiron Books	Sparta Library	60.00	1	2	0	1

Show Additional Fields

Holds on consortia's items.

Make sure you log in under the consortia. Run a Consortia Content Activity Report.

Make sure you have a broad date range. This is a circulation report used as a holds report.

You will see multiple rows for the same item but it will show what items are in demand.
